UGLY DUCK SOCIETY

UDS are unique and randomly generated 3D NFT Avatars

UGLY DUCK SOCIETY is committed to keeping the members of our community informed and involved. We love sharing news and updates with our fellow holders and members, and want to make sure you never miss a thing. Check out some of our sneak peek 3D NFT's below, and be sure to JOIN THE DISCORD.

PHASE 2:

PHASE 1:

"The Nesting" period.

UDS plans to spread the word of this community as far and wide as it could reach to other galaxies and NFT worlds that exist. Preparing to grow the influencer gain and members of the community. To unlock Utility access to future holders of Ugly Duck NFT's.

The release of the Ugly Duck Eggs are TBA pre minting. Private Pre-Minting, Only available for the first 777 unique 3D NFT artwork.
Also to TBA Pre-Sale Whitelist for the next 1,000 unique and randomly generated NFT's.

THE ARRIVAL OF THE UDS

"The Incubation " and "The Hatching" period TBA
These periods will revolve around the time of the official Public Minting date. Where the Whitelist UDS holders will be able to get the reveal on the public minting date. While all other soon to be UDS holders will Mint for the first time. "The Hatching" period, will be during the public minting, The Ugly Ducks begin emerging from their eggs. All public minters will receive their attributes TBA

WELCOME TO THE SOCIETY

What to expect from UDS

When you join the Ugly Duck Society, you are joining unique group of influencers, artists and entrepreneurs who refuse to follow the flock. We are trial blazers of our own path, thus the name Ugly Ducks shows our resistance to conformity and our collective passion of decentralization and wealth building.

Our goal is to create a community for our holders, members, fans, of forward thinkers, who are hell bent on achieving greatness in real life and in the Meta-Verse! We are here to help teach those who nothing of the web3 or those who want to learn more!

UGLY DUCK SOCIETY was founded in 2021 by a group of New Yorkers, who are dedicated to make a statement in the NFT space. And setting utilities that the community can grow from financially and educationally about Crypto. We pride ourselves on being a fun and collaborative environment, where people from all over can come together in Meta unity.

WHY BECOME AN UGLY DUCK?

Utilities & Holder Benefits!

NFT holders have the opportunity to receive passive income simply by holding one or more UDS NFT's. There will also be opportunities to Play-To-Earn mobile and meta verse games in different meta verse lands, which locations will be TBA.

the Meta-Verse as our Ducks exist on the Ethereum Network. And we are holders of land in multiple Ethereum based metaverses. Your Duck(s) will have exclusive access to the Lands as developments evolve.

have the option of "incubation staking" for rewards like NFT evolution and free egg tokens.

Tokens and Tokenomics:

The egg tokens will be released and it will be the in game currency for "The Ugly Ducks" P2E Mobile Game which will allow you to earn Egg Tokens which can be used to mint more rare NFT'S. There will be built in burning and staking options to create deflationary tokens!

to our "Rich Duck NFT info Sessions" where will be sharing rare knowledge of "the blockchain" "NFTS". These info sessions will be mainly based on wealth building in the crypto sector. But also it will allow us to personally educate our UDS members and give you all advanced knowledge of future projects.

NYC TOURISM & NIGHTLIFE

Holders can receive discounts and rewards at a list of New York City's most trendy upscale restaurants, clubs, bars, and spas. etc. TBA

UDS FESTIVALS

Parties & Events

There will be three all expense paid events for NFT holders in The Hamptons, Times Square, The Edge all New York based locations.
